

 The University of British Columbia Board of Governors	Policy No.: 15	Approval Date: July 1991 Last Revision: [proposed January 2019]
	Responsible Executive: Vice-President, Finance and Operations	
Title: Smoking and Smoking Product Promotion on Campus		
Background & Purposes: <p>UBC promotes a healthy and safe university environment. Contrary to this principle, smoking causes harm to the user and poses danger and a discomfort to others. UBC will control tobacco, cannabis, and smoking product promotion, sale and use while allowing for exercise of personal choice subject to the primacy of protection of others from harm or nuisance.</p> <p>This policy is intended to diminish the exposure to smoke and promote health and safety by: reducing or eliminating sale and promotion of Tobacco-Related Products on campus, including prohibiting promotion and commercial dealings with Tobacco-Related Products; and reducing exposure of others to second hand and side stream smoke by designating permitted Smoking areas and establishing No Smoking Areas in other places where second-hand and side-stream smoke is unavoidable or impractical to avoid without creating a harm or nuisance for others.</p>		

1. Standards

Where this Policy and applicable legislation differ, the more stringent of the two shall apply.

2. No Promotion or Sale of Tobacco-Related Products

2.1 No person may:

2.1.1 advertise or promote for commercial purposes the use of Tobacco-Related Products; or

2.1.2 deal in, sell, offer for sale, or distribute Tobacco-Related Products;

in any UBC Premises or UBC Vehicles.

2.2 All Occupancy Agreements entered into after February 12, 2019 must contain language prohibiting the advertisement and promotion of the use of Tobacco-Related Products for commercial purposes and also prohibiting the dealing in, selling, offering for sale, or distribution of Tobacco-Related Products.

3. Smoke-Free Areas

3.1 Smoking is prohibited:

3.1.1 in any UBC Enclosed Premises and within such distance from any UBC Enclosed Premises as may be prescribed in the Procedures;

3.1.2 in any UBC Vehicle; and

3.1.3 in any designated No Smoking Area.

3.2 Notwithstanding section 3.1, a person or organization may apply for a permit in the manner set out in the Procedures for an exception that would allow Smoking in an area where it would otherwise be prohibited by this Policy, as long as the Smoking is permitted by law,. Such permit may include terms and conditions, the breach of which shall void the permit.

3.3 All Occupancy Agreements entered into after February 12, 2019 must contain language prohibiting Smoking.

4. Designated Smoking Areas

4.1 Designated Smoking Areas may be designated and identified by notice in the manner set out in the Procedures.

4.2 Designated Smoking Areas must be located so as to reduce the exposure to passersby and must not be located within any no-smoking buffer zones established under this Policy or any applicable legislation.

5. Compliance and Enforcement

5.1 The Responsible Executive shall specify the unit or units responsible for the day-to-day implementation and enforcement of this Policy.

6. Definitions

6.1 **“Designated Smoking Areas”** means the areas designated under this Policy (including any Procedures) as an area within which Smoking is permitted.

PROCEDURES

Approved: July 1991

Revised: [proposed January, 2019]

Pursuant to Policy #1: Administration of Policies, "Procedures may be amended by the President, provided the new procedures conform to the approved policy. Such amendments are reported at the next meeting of the Board of Governors." Note: the most recent procedures may be reviewed at <http://universitycounsel.ubc.ca/policies/index/>.

1. Administration

- 1.1 The Vice-President, Finance and Operations is designated as the Responsible Executive having responsibility for the administration of this Policy and these Procedures.
- 1.2 The Responsible Executive may sub-delegate duties hereunder but remains responsible for oversight and answerable to the President with respect to such duties.

2. Permits for Exceptions

- 2.1 **Issuance**: Only the Director of the UBC Ceremonies and Events Office, or delegate, or such other person as may be designated by the Responsible Executive, has the authority to issue permits to a person or organization seeking to engage in Smoking pursuant to section 3.2 of this Policy in connection with a culturally significant activity. Such permit may set out the terms and conditions on which the permit is granted, including, but not limited to publishing notices and requiring posting of signage warning of Smoking.
- 2.2 **Suspension or Revocation**: A permit may be:
 - 2.2.1 altered, suspended or revoked by the issuer or the Responsible Executive at any time; or
 - 2.2.2 suspended by Campus Security at UBC Okanagan or UBC Vancouver, as applicable, on a good faith determination:
 - a) that the permit terms and conditions have been substantially breached; or
 - b) that there is a safety, security, or health concern, and neither the issuer nor the Responsible Executive are available to act.

3. Designation of Smoking Areas

- 3.1 Designated Smoking Areas that do not involve construction of a shelter may only be created:
 - 3.1.1 in respect of UBC Okanagan, by Campus Planning and Development after:
 - a) consultation with Campus Operations and Risk Management; and
 - b) posting notices in the proposed Designated Smoking Area, inviting community input; and
 - 3.1.2 in respect of UBC Vancouver, by Campus and Community Planning after:

- a) Consultation with Building Operations; and
- b) posting notices in the proposed Designated Smoking Area, inviting community input.

3.2 Designated Smoking Areas involving construction of a shelter may only be created:

3.2.1 in respect of UBC Okanagan, by Campus Planning and Development after:

- a) consultation with Campus Operations and Risk Management; and
- b) posting notices in the proposed Designated Smoking Area, inviting community input; and

3.2.2 in respect of UBC Vancouver, by Campus and Community Planning after:

- a) consultation with Building Operations;
- b) consultation with Occupational & Research Health and Safety; and
- c) posting notices in the proposed Designated Smoking Area, inviting community input.

3.3 Where feasible, Designated Smoking Areas should be indicated by posted signage or markings that aid identification of the boundaries of Designated Smoking Areas for information and enforcement purposes. Smoking of certain types of products and not others may be permitted within Designated Smoking Areas and the posted signage or markings should indicate whether there are any restrictions on the types of products that may be used for Smoking in the Designated Smoking Area.

3.4 Designated Smoking Areas will be located or constructed to reduce the fire hazard to surrounding areas and, where feasible, will be located or constructed so as to provide shelter from the elements.

3.5 Designated Smoking Areas may not be fully or substantially enclosed, unless appropriate air handling systems are utilized.

3.6 The designation of an area as a Designated Smoking Area may be suspended by Campus Security at UBC Okanagan or UBC Vancouver, as applicable, on a good faith determination that there is a safety, security, or health concern, and the Responsible Executive is not available to act.

4. No Smoking Areas - Smoke-Free Distances and Areas

4.1 On the UBC Okanagan campus, Smoking is permitted within Designated Smoking Areas but is otherwise prohibited out-of-doors.

4.2 On all UBC Premises other than the UBC Okanagan campus, Smoking is prohibited within:

4.2.1 8 metres from any bus shelter located on UBC Premises:

4.2.2 8 metres horizontally, or the greater of 2 storeys or 8 metres vertically, from any doorway (including loading bay doors) for any UBC Enclosed Premises;

4.2.3 8 metres horizontally, or the greater of 2 storeys or 8 metres vertically, from any window of any UBC Enclosed Premises, unless the window is clearly neither designed for nor capable of use for ventilation;

- 4.2.4 8 metres horizontally, or the greater of 2 storeys or 8 metres vertically, from any air intake for any UBC Enclosed Premises; and
- 4.2.5 the posted limit; but if unposted, then 8 metres in any direction, from any place that a reasonable person would believe contains hazardous materials or poses an explosive flammability risk.
- 4.3 Except as contemplated by sections 4.1 and 4.2 of these Procedures no signage or marking is required to provide notice of a prohibition of Smoking and the prescribed smoke free status or distances applicable to any area.
- 4.4 In addition, No Smoking Areas may be designated:
 - 4.4.1 In respect of UBC Okanagan, by Campus Planning and Development; and
 - 4.4.2 In respect of UBC Vancouver, by Campus and Community Planning,and identified by published notice, signage, or markings deemed by Campus Planning and Development or Campus and Community Planning, as applicable, as reasonably necessary to identify the area as one in which Smoking is prohibited.
- 4.5 No Smoking Areas shall remain enforceable notwithstanding vandalism or an irregularity in designation, signage or markings.

5. Compliance and Enforcement

- 5.1 In respect of violations regarding sale or promotion of tobacco or Smoking Products, the matter should be immediately reported to Campus Security at UBC Okanagan or UBC Vancouver, as applicable.
- 5.2 In respect of Smoking:
 - 5.2.1 The day to day implementation and enforcement of this Policy is the responsibility of:
 - a) the supervisor or individual directly in charge of a given area or activity within an area; and
 - b) Campus Security at UBC Okanagan or UBC Vancouver, as applicable.
 - 5.2.2 Every effort is to be taken by all students, faculty and staff to ensure compliance with this Policy and the Procedures, and to resolve any problems created by non-compliance by:
 - a) encouraging smokers to move to areas where Smoking is permitted and, if in the vicinity, to use a Designated Smoking Area; and
 - b) recognizing and respecting that prescribed areas where Smoking is not permitted may fully extend between buildings and, accordingly, walkways in those places unless included as or within a Designated Smoking Area are areas where Smoking is not permitted.
 - 5.2.3 Violations regarding Smoking shall be shall be treated proportionately to health and safety risks or harms as well as the nuisance associated with the violations. Repeated or continued violation of this Policy shall be treated as willful contempt or insubordination.

5.2.4 The following protocol is to be followed if non-compliance issues cannot be resolved using the approach set out in section 5.2.2:

- a) Students: Formal complaints may be lodged by any party responsible for day to day implementation and enforcement.
- b) Faculty and Staff: Non-compliance concerns should be lodged with either the individual's immediate supervisor or Campus Security at UBC Okanagan or UBC Vancouver, as applicable.
